2s

iHome iBT58

Manual Pairing

2s   2s

iHome iBT58

» Make your Bluetooth device "discoverable"
» *Press and hold* **Power Button** for 2 seconds
» The first time the unit is powered on it will enter auto-pairing mode.
» Select "iHome iBT58" on your device's Bluetooth menu to complete pairing.
» To manually pair, power on speaker then *press and hold* **Bluetooth Button** for 2 sec. Select "iHome iBT58" to complete pairing.
» Press **Play/Pause Button** to play and pause Bluetooth audio.

» To clear/reset Bluetooth, *press and hold* **Bluetooth Button** for 10 sec.
» If there is no audio or light mode detected after 15 minutes the unit will auto power off to save battery life

USING SPEAKERPHONE

» The speaker must be on and connected with a paired Bluetooth device to recieve calls.

Answer/End Call

» Press the **Voice Command/ Speakerphone Button** to answer incoming call. Press again to end call.

Solid Blue = connected to bluetooth

COLOR CHANGING MODE

» Press the **Color Mode Button** as needed to cycle through color modes:

» SLOW » FAST » ONE COLOR »
» PULSE TO MUSIC » PRESET PULSE » OFF

VOICE CONTROL FEATURE

NOTE: The unit must be powered on and linked to an iOS or Android Bluetooth device to use Voice Control.
Press and hold the **Voice Command/ Speakerphone Button** for 2 seconds and wait for beep to activate voice control with Siri or Google Now.

Voice control requires an active internet connection on connected Bluetooth device with iOS 10 and Android 4.1 and later. When activated, the speaker microphone acts as an extension of the microphone in your smartphone to make/take calls, enable you to ask Siri®/Google Now™ to play music and more.

RESET UNIT

If the unit locks up or otherwise does not operate as expected, insert paperclip or similar into the reset port when unit is ON.

Internal Rechargeable Lithium-ion Battery

This device uses an internal non-replaceable rechargeable lithium-ion battery that should last the lifetime of the device. If you suspect your battery may be dead, try charging it for an extended period of time and try resetting the unit. If this fails, contact Customer Service at 1-800-288-2792.

WARNING/DISPOSAL OF UNIT
Do NOT attempt to change the battery. Doing so will void the warranty and could cause injury and damage to your device. To dispose of the unit, follow the instructions below:
• Never dispose of used batteries/electronics with ordinary solid wastes, since they contain toxic substances.
• Always dispose of used batteries/electronics in accordance with the prevailing community regulations.
• Many electronics retailers now recycle batteries and other electronic components at no charge
GENERAL BATTERY PRECAUTIONS
• Never use or charge a battery if it appears to be leaking, discolored, deformed, or in any way abnormal.
• Never disassemble the unit or attempt to remove battery as that could cause leakage of alkaline solution or other electrolytic substances.
• Avoid charging a rechargeable battery when the temperature is not within 5°C - 35° C (41° - 95° Fahrenheit).
• Never expose a battery to any liquid.
• Never expose a battery to excessive heat such as direct sunlight or fire. Never use a battery pack in an unventilated vehicle where excessive internal temperatures may be encountered.
• Always keep batteries out of the reach of infants and small children.
